

Signal generator

```
graph TD; SG[Signal generator] -- "10 MHz DUT" --> PS[Phase station]; SG -- "10 MHz ref" --> PS;
```

A block diagram showing a 'Signal generator' at the top and a 'Phase station' at the bottom. Two vertical arrows point from the signal generator to the phase station. The left arrow is labeled '10 MHz DUT' and the right arrow is labeled '10 MHz ref'.

10 MHz
DUT

10 MHz
ref

Phase station
